

At almost 14 and a half feet long, the Grand Slam has the speed, performance and storage capacity of a touring kayak with the roominess and stability of a recreational kayak. This exceptionally fast kayak will get you where you want to go and the stability to enjoy the ride. The sharp entry line cuts through the waves, gets you beyond the breakers, and is set up for installation of an optional rudder. The dual tankwell with new Cargo Net Lacing System and 2 hatches provide maximum storage capacity making this the kayak for multi day trips and expeditions.
